

Open Forum – July 19, 2005

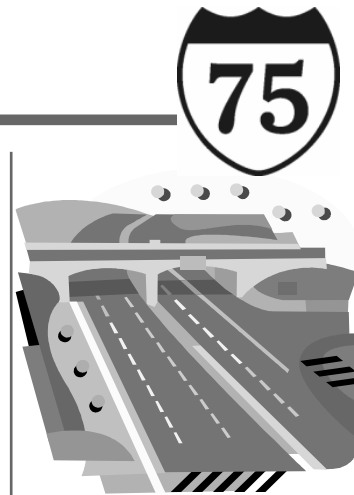

I-75 Planning/Environmental Study

The Michigan Department of Transportation is holding an open forum for the conclusion of the I-75 Oakland County Planning/Environmental Study. The Final Environmental Impact Statement (FEIS) was signed by the Federal Highway Administration on May 31, 2005. The FEIS identified the Preferred Alternative that includes the addition of one lane in each direction where there are only three, for a total of four lanes only, between M-102 and north of Square Lake Road. The additional lane will be designated a High Occupancy Vehicle (HOV) lane during the peak hours, approximately four

**TUESDAY
JULY 19, 2005
4:30 p.m. to 8:30 p.m.

Royal Oak, MI 48073**

**Located north of 13 Mile
Just south of Lexington Boulevard
and east of Crooks Road**

hours a day, with the remaining 20 hours operating as the other lanes do. Also included in the Preferred Alternative are safety improvements to the I-696/I-75 interchange and a new drainage system.

The open forum will be from 4:30 p.m.— 8:30 p.m. Please stop by anytime during those hours to view the exhibits and speak one-on-one to the engineers and planners involved in the study.
